## *Chapter 16: Economic Liberalization and Globalization - Section B*

---

### **SECTION B**

#### **Q1. Mention the ways (methods) of privatization.**

- Opening Public Sectors: Areas reserved for the public sector can be opened to the private sector.
- Transfer of Management: The state may retain ownership but hand over the management to private companies.
- Transfer of Ownership: The state may retain management but transfer the ownership to private companies.
- Disinvestment: The government can reduce its ownership by selling its investment/share in public sector enterprises.

#### **Q2. Explain the disadvantages of globalization.**

- Poverty and Unemployment: Globalization has not solved the problems of poverty and unemployment to the desired extent.
- Limited Export Benefits: Developing countries have not received the expected benefits from increased exports.
- Large Industries: Large-scale industries have gained more benefits from globalization.
- Small Industries: Small-scale industries have received comparatively less benefit.

#### **Q3. What are the advantages that India has derived by joining the WTO?**

- World Trade: India's share in world trade increased from about 0.5% to more than 1%.
- Textile Exports: India's export of ready-made clothes and textiles increased.
- Agricultural Exports: India has been able to increase the export of agricultural products.
- Foreign Exchange: Increased exports helped improve foreign-exchange earnings.

#### **Q4. Explain the concept of 'Sustainable development'.**

- Meaning: Sustainable development means development that meets the needs of the present generation without reducing the ability of future generations to meet their needs.
- Resource Conservation: Natural resources should be used carefully so that they are not unnecessarily depleted.
- Environmental Protection: Development should take place without causing serious damage to the environment.
- Future Needs: The aim is to balance economic development, environmental protection and the needs of future generations.
